Providing NHS Services

## NHS Services Available

As your local community pharmacy, we can offer a wide range of services and facilities for you and your family. We provide NHS services on behalf of NHS England.

### **Medication Use Reviews (MURS) & New medicine Service (NMS)**

You can make an appointment with our pharmacist to discuss how you are getting on with your regular medicines and discuss new medication. It will allow you to learn more about your medicines and ask any questions you may have. If you are experiencing any difficulties with your medicines our pharmacist may be able to

### **Electronic Prescription Service**

We are now offering our customers the Electronic Prescription Service, which allows you to nominate a pharmacy to get your medication from. Your GP will then send your prescription electronically to the place you have nominated, saving you time, giving you more choice about where to collect your prescription from and is therefore more convenient.

### **Unwanted and Unused Medicines**

We help run a nationwide DUMP (disposal of unwanted medicines) campaign so please return all unwanted medicines and we will dispose of them safely, however we cannot accept any needles and lancets.

### **Medicine Containers**

All medicines are dispensed in child resistant containers unless requested otherwise. Please remember: **Keep out of reach and sight of children**. Our pharmacist can advise you on safe storage of medicines.

### **Repeat Dispensing**

We can dispense NHS repeat dispensing prescriptions issued by your doctor. Ask us for more information about this service.

### **Advice on Medicines**

We carry a wide range of well known products. The pharmacist can advise you on these as well as those you may be taking on prescription. The pharmacist can assist with knowledge on other minor ailments including alternative and herbal remedies. For private consultation, we have a private room if required.

### **Holidays**

Please ask our staff about your holiday requirements. We are happy to provide advice about avoiding any unwanted holiday risks and recommend suitable remedies.

### **NHS Stoma / Incontinence Supplies**

We stock, or can get for you, an extensive range of common ostomy and incontinence products, the pharmacist can advise you confidentially in any of these areas.

### **Healthcare Advice**

Our trained counter staff will be able to advise you on many healthcare matters including smoking cessation, first aid, family planning and healthy lifestyle issues. We have a wide range of well known products, many of which you can only buy from a pharmacy. If you prefer to speak to our pharmacist in confidence, we have a private consultation room.

## We Can Also Offer..

**Nebulisers** Although Nebulisers are not available through the NHS, we can however obtain them through our wholesaler for purchase to you our customers.

**Hosiery** We can supply stockings ordered by your doctor as well as many other items not available on the NHS. We also offer a measuring and fitting service.

**Special Dietary Requirements** We sell a range of vitamins and minerals. We can also get gluten-free and wheat-free foods and medicines for prescriptions.

**Emergency Hormonal Contraception** You can now purchase EHC from us in a discrete and professional environment, this is a no appointment necessary service.
